# Secondary Stationery Supplies List

26 November 2020

Dear Parents/Caregivers

In preparation for the new year, we would like to inform you of the stationery supplies that will be needed for your child in Secondary school. You are welcome to purchase these items from your own choice of supplier.

You may like to try Officeworks with their School List service, or perhaps a local supplier such as WorknLearn. Staff are very appreciative of your child having all the items on the stationery list as this ensures they begin the year fully prepared.

Please note that the Oxford MyEnglish books and online access must be purchased directly from the Oxford University Press Website. It's important you ensure you are purchasing the QLD version of these texts. If you follow the link provided, you will be taken to the correct text for each year level.

We look forward to teaching your child next year.
