

COOLUM BEACH CHRISTIAN COLLEGE

STUDY TOURS

BENEFITS OF PARTICIPATING

Students are immersed in another culture and participate in engaging activities and excursions designed to enhance their self-confidence, English language skills and intercultural understanding. Students may participate in a study tour as a one-off activity or could consider returning as a longer-term international student in the future. Queensland is a popular study destination, and study tour participants have the opportunity to get a taste of what it is like to live and study in Queensland.
